## DAISY AWARD

**Ruth Vlastic**, Dog Warden, enforces State of Ohio laws in reference to care of animals. Ruth also responds to calls for sick or injured wildlife. She started as a kennel worker at Sharonville in 2013. Ruth began her Dog Warden training in August 2014. It was a four to six month process. She likes to successfully deal with complaints from the public. Then she can advise others on changes or improvements that can be made. She likes to work with domestic animals at the SPCA. She also finds it interesting to work with wildlife and birds of prey, such as hawks and owls.

Ruth enjoys sketching as a hobby. She owns a cat and a dog which she adopted from the SPCA. Her cat is named Kirito and her dog is named Chai. She fostered her dog, an Australian Red Heeler, prior to adopting him. Ruth wants to remind us that “Animals don’t have a voice. It is our task to be the acting voice for animals.”

## Website Information

Like everything in life, our website, [spcacincinnati.org](http://spcacincinnati.org) is a regular work in progress! If there are any typos or old information on our website, we do our best to address them right away, but sometimes things slip through the cracks or are not easily found. Take a bit of time once in a while to review pages related to your department and see if there’s any outdated information, phone numbers, titles, etc. If a form needs to be corrected or a new one needs to be posted on the site, please send the new or corrected form in PDF format. Send any corrections to Lisa Neal at [lneal@spcacincinnati.org](mailto:lneal@spcacincinnati.org). Thank you for helping us make our website better!

## Human Resources

As you may already know, I am the person to contact if you have any questions about your employment. If your name changes, your address changes, or your insurance needs change, just stop by and see me or give me a call. I am accessible Monday through Friday 8am to 5pm at 513-247-2027 or you may email me at [lfeenner@spcacincinnati.org](mailto:lfeenner@spcacincinnati.org) at the Sharonville Humane Center. In two weeks we will be implementing a new Human Resource software system called Bamboo, where you can actually log in yourself to change your personal information. We will let you know when that is up and running smoothly. In the meantime, please feel free to contact me with any questions.
