Daisy Award

Congratulations to Joseph Acosta, he is the recipient of:

The **SPCA Cincinnati**'s Daisy Award!

"I am a Kennel Technician at the **SPCA**. My duties include, but not limited to, feeding the animals and maintaining the kennels. The most interesting thing about my job is seeing the different personalities that each dog carries; each dog is special and unique in their own way. My hobbies are: walking my dogs, listening to music, and just overall relaxing. No spouse or kids as of yet. However, I do own one gecko, one fish, and three dogs! My dogs' names are ChiChi, Luke, and Kronik. Then there is my foster companion named Becker. My favorite quote: *Stay positive, work hard, make it happen!*"—Joseph Acosta

Thank you Joseph for all that you do!

Covid-19 On the Rise In Hamilton County!

According to the **Cincinnati Enquirer**, “New cases of coronavirus rose by more than 100 for the third straight day in Hamilton County, data released Sunday by the Ohio Department of Health showed. The seven-day average of new cases also rose, hitting its highest level since the pandemic arrived locally in March.”

To all employees:

stay home when sick, use cough and sneeze etiquette, and practice hand hygiene

Comply with state regulations on facial coverings.

1. Allow customers, visitors, vendors, and other visitors to wear face coverings except for certain documented legal, life, health, safety, or security considerations.
2. Require all employees to wear face coverings unless they are prohibited by law or regulation; in violation of documented industry standards; not advisable for health reasons; in violation of the business’s documented safety policies; or there is a functional/practical reason not to wear one. They also are not required for employees who work alone in an assigned work area.

Comply with social distancing requirements of the U.S. Centers for Disease Control and Prevention and Ohio Department of Health, including, where possible:

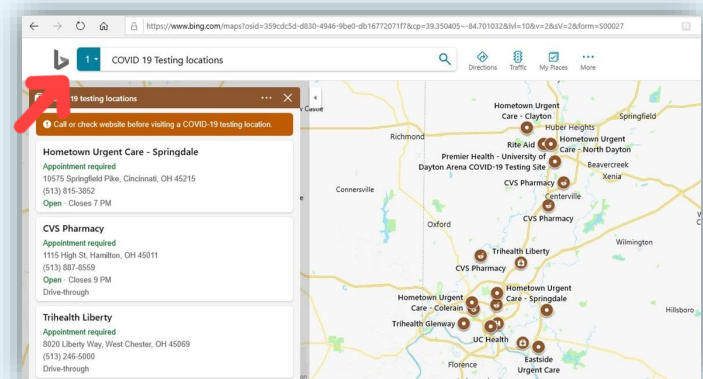

1. Designating 6-foot distances with signage, tape, or other means to allow for adequate social distancing between employees. This also applies to customers in lines or coming into the shelter.
2. Having hand sanitizer and sanitizing products readily available for employees and any customers.

If you or someone you know has symptoms of COVID-19, please get tested. Click the link to view testing locations:

Fur Ball Gala Virtual Event!

BIG EVENT NEWS! The **SPCA Cincinnati**'s annual Fur Ball Gala is going virtual for the first time in our history. After much deliberation and in an effort to move forward safely amid COVID-19, we decided to have a week-long event!

*Beginning Sunday, August 23, 2020, **The Great Catsby** will kick off with a full week of Fur Ball virtual activities, culminating for our **online, LIVE Gala, Saturday, August 29, 2020 at 6:00 p.m.***

The **SPCA's Fur Ball week** will allow for a virtual experience to engage with a larger audience, for our highly anticipated community event, continuing its tradition of excitement, entertainment and collective effort to save more animal lives in the Greater Cincinnati area!

We look forward to bringing the party to you, all week long. Although the **SPCA's Fur Ball gala** may look different this year, it will not disappoint. From the silent auction, trip raffle, testimonials, rescue stories, and adoptable pets, the ability to see our community come together in a unique way for the first time – you'll be impressed (as well as inspired) from the comfort of your home.

Fur Ball is the **SPCA's** largest fundraiser to help care and shelter nearly 12,000 animals that enter our doors each year. The format to Fur Ball may have changed but the need has remained the same – our animals need YOU to be their voice.

Thank you for joining together to make a difference and save more animals lives.

If you have any questions or concerns please call me at 513-620-1920 or Maria Miller, VP Development at 513-780-6173.

For The Love of Life!

We had an eventful morning yesterday! Stephanie Archer, Tracy Buckmeier and I caught a Red-tailed Hawk in the back of the Sharonville building, with tape wrapped around its leg. We were able to safely contain the hawk where we could remove the tape and try to release him. But, he still would not fly! We decided to catch him again and call Raptor, a wild bird rescue that has served Greater Cincinnati for over 40 years & partners with the **SPCA**, to come and help him out! It's all in a days work, for you never know what the day will bring in animal welfare. See photos captured below.

Foster / Rescue Update!

RESCUE NEEDED!

Betty Jo (gray female, 4-years-old) and Humphrey (tan male, 3-years-old) need a 501c3 rescue to take them as they are BIG DOGS and need some TLC before going to an owner who is experienced with this breed. They are both altered, microchipped, and UTD on vaccines (basically they are adoptable). Both dogs are about 90lbs and could stand to gain some weight. They were found as strays, so we are not sure of their history with cats or kids. They get along with each other but we haven't had them around other dogs in the shelter. We'd prefer these pups go together, but they are not considered bonded at this time. Rescue pull only!
